

# Audition Results 2021-2022

Here are some of the reasons why you did not make a specific team.

1. Attendance is very important. If you had poor attendance that might have played a big role.
2. Effort is a must each week. You should give 100% to every class to really see improvement.
3. Each dancer grows in their own time. The most common placement is a dancer staying in a level for 2-3 years. Sometimes there is movement in 1 year, but that is not normal.

The studio will be closed for 2 weeks. PLEASE DO NOT REACH OUT TO ANY OF THE STAFF DURING THAT TIME FRAME. We will answer any questions and concerns when we are back again. Thank you everyone who came to auditions! We are so proud of all of you!
